Correlation of Workbook Topics with Propertymark Qualification Unit Specification

Level 3 – Chattels Auctioneering

Common Law Duties of an Estate Agent

This has not been expressly covered in the learning materials previously, although references to the common law duties are made at various points in the learning materials. From January 2018 it will be tested in unit 1. As chattels auctioneers do not deal with land and property, basic land law was not included previously in the qualification but it is now part of the common unit 1. To assist people who have bought the workbook in the last 6 months, additional learning materials covering an agent's common law duties and basic land law will be sent to you in an email.
