

# Propertymark Qualifications

## Correlation of Workbook Topics with Propertymark Qualification Unit Specification

### Level 6 – Residential Inventory Management and Practice (Scotland)

#### Basic Land Law

This was not previously included in unit 1 but is now.

#### General Remarks

**The old unit 2 (based on most, but not all, of the syllabus for unit 2 of the level 6 Scottish lettings qualification) has been replaced in its entirety with unit 2 from the Level 6 Residential Letting and Property Management (Scotland) qualification.**

#### Types of Tenancy

Sections 1 and 2 of unit 2 the learning materials covering different types of tenancies has been expanded slightly and the new private residential tenancy (PRT) has been included.

#### Statutory Regulation of Agents

This is now covered in unit 2 of the qualification and was not previously expressly covered, although references are made to this at various points in the learning materials in unit 2.

#### Regaining Possession

This was not previously included in unit 2 but is now.

#### LBTT

This was not previously covered in unit 2 but is now.

#### Insurance

This was not previously covered in unit 2 but is now.
